1. This cheque book has been printed with magnetic number at the bottom for computerised cheque sorting. Folded cheques will not go through the High Speed Sorter. Special care should therefore be taken to avoid crease or fold.
2. Do not write/sign in the clear (white) band in the bottom of the cheque.

3. Avoid use of pins. If necessary use them only on top left of the cheque or use clips.
4. No counterfoils are provided in this Cheque Book. Cheque Record Slips for recording particulars of issue are provided for the purpose.
5. Handle the cheque carefully.
